WEEK ONE**

ROMANS 12:2

Romans 12:2 (NLT) – 'Don't copy the behavior and customs of this world, but let God transform you into a new person by changing the way you think...'

Devotion

The world is loud, constantly telling you who to be, what to look like, and how to act to be accepted or successful. But God is inviting you into something far greater: transformation from the inside out.

This verse is a loving reminder that you don't have to conform to the pressure, performance, or expectations of others. You were never meant to blend in; you were called to stand out through a renewed mind and a life surrendered to God's purpose.

Letting God change the way you think isn't weakness, it's wisdom. It's the key to unlocking peace, confidence, and clarity about who you truly are in Him. You don't have to mimic the world to matter. You already matter because you are His.

So today, pause. Ask God to reveal the patterns you've adopted that don't reflect who He created you to be. Release them. And step boldly into the transformation He offers to becoming the woman you already are, one renewed thought at a time.
