

# ETH WEEKLY DEVOTIONAL

**October 2024  
WEEK THREE**

**IT'S A NEW SEASON - SUMMER**

For the month of October we will be taking time to discover what season of life we are in. As we look around us we are in the Fall or Autumn season in the earth, but what season of life are you in? To discover our truth let us now examine the *Summer season*. Summer may present itself as a “dry season”. A time when you might need a little more water, a little more Jesus!

Summer is the season of spiritual development and personal growth. You might find yourself thirsting for more of God. Reading the scripture, praying more, and desiring to be in His presence more than usual. Equally summer is the time when you begin to see the light, some results from the work you've already done. However, take note...this is NOT the time to relax, it is time to fertilize your good habits, and weed out the bad. Summer is the time when others may want to take benefit of your work or distract you. Protect your progress like a farmer protects his crops from weeds and pest. Motivate yourself with what the Lord spoke to you during your winter season. Remind yourself not to be distracted by the pleasure achieved in the spring. Keep your eye on the final goal...PURPOSE

“That is why we never give up. Though our bodies are dying, our spirits are being renewed every day. For our present troubles are small and won't last very long. Yet they produce for us a glory that vastly outweighs them and will last forever! So we don't look at the troubles we can see now; rather, we fix our gaze on things that cannot be seen. For the things we see now will soon be gone, but the things we cannot see will last forever.”

2 Corinthians 4:16-18 NLT

PRAYER

*Dear Lord, Thank you for the summer season a time to pause and reflect. A time to draw closer to you to develop the fruit of the spirit in my life. I thank you for divine insight and the gift of knowing that you are with me in whatever season I find myself in..*

*In Jesus name!*

*Amen*
