Weekly DEVOTION

A RENEWED MIND. A BOLDER YOU. A BRIGHTER TOMORROW.

OCTOBER 25 – OCTOBER 31

OCTOBER THEME:

Having the Mind of Christ

NLT SCRIPTURE

*“Think about the things
of heaven, not the things
of earth.”*

COLOSSIANS 3:2 (NLT)

DEVOTIONAL THOUGHT

What are my thoughts consumed with most often? Are they aligned with God's truth, or am I allowing worry, comparison, or past experiences to take up space in my mind? How can I intentionally set my mind on things above and allow God's perspective to shape my words, actions, and decisions?

DEVOTION

Having the mind of Christ means setting our thoughts on eternal things rather than being consumed with temporary worries, distractions, or worldly expectations. When we keep our focus on God, His purpose, and His promises, we begin to see life through His perspective. A Christ-centered mind brings peace in the midst of chaos, clarity in our decisions, and strength to remain faithful. As we choose to think on what is true, noble, and godly, our thoughts align with God's will, and our lives begin to reflect His character.

QUOTE FOR THE WEEK

*“When your mind is set on Christ,
your perspective changes,
and so does your life.”*

TRANSFORMATION STEP

This week, practice intentionally renewing your mind with God's Word.

Action Ideas:

- Start each day by reading and meditating on Colossians 3:1–4.
- Identify one negative or unproductive thought and replace it with a biblical truth.
- Create a simple “mindset list” of what you will focus on this week (truth, peace, purpose, gratitude).
- End each day by thanking God for helping you think more like Christ.
