

ETH WEEKLY DEVOTIONAL

**October 2024
WEEK TWO**

IT'S A NEW SEASON - SPRING

For the month of October we will be taking time to discover what season of life we are in. As we look around us we are in the Fall or Autumn season in the earth, but what season of life are you in? To discover our truth we will examine *Spring* next. Spring marks the transition from winter into summer. Yes, spring is the time to plant and carry out the instructions gleaned from your winter experience. This is not the time to procrastinate it is the time to seize every opportunity and act upon it! However don't look for instant gratification...no matter what it looks like do the work and give it your best. After spending time with God in the winter you will have the strength to break up your fallow ground.

Just as we see in the natural, spring is a reminder of the cycle of death and rebirth the trees and flowers that appeared dead in the winter re-emerge. So during this time you should look for the leading of the Lord to try new things, and find ways to do old things. Again, spring time is the window of opportunity so don't be afraid to take risk. If you fail to do the work, if you fail to embrace the opportunities, if you fail to take the risk you will not benefit from the upcoming seasons of your life.

"We are confident of all this because of our great trust in God through Christ. It is not that we think we are qualified to do anything on our own. Our qualification comes from God. He has enabled us to be ministers of his new covenant. This is a covenant not of written laws, but of the Spirit. The old written covenant ends in death; but under the new covenant, the Spirit gives life.." 2 Corinthians 3:4-6 NLT

PRAYER
