

ETH WEEKLY DEVOTIONAL

SEPTEMBER 2024
WEEK FOUR

BELIEVING YOU ARE WHO GOD
SAYS YOU ARE

How To Believe You Are Who God Says You Are

Step 3 – Choose To Point Your Thoughts Back To Christ

And this, of course, is the most important step of all – choosing to accept God's Truth as your truth again and again (*and again*). Your confidence can be solidly rooted in Christ alone.

Seeing something as a lie and choosing not to believe it are both important steps, but what are you going to replace it with? What are you going to *choose* to believe instead? *The Truth*.

This is why it is so very important to spend time in God's Word. When you are reading the Bible regularly, you can more easily see when your thoughts don't line up with His Word. It fixes your eyes on the characteristics of God, instead of the patterns of this world.

Reading God's Word is a way to:

- renew your mind
- strengthen your faith
- root yourself in the Truth
- encourage your heart
- rewire negative thoughts
- and so much more.

Let this mind be in you, which was also in Christ Jesus: Philippians 2:5

PRAYER

Lord, I give my mind to you. Help me to think as you think so that I will live as you have purposed me to live and as who you purposed me to be. In Jesus name, Amen.
