

# ETH WEEKLY DEVOTIONAL

**October 2024  
WEEK FOUR**

**IT'S A NEW SEASON - FALL**

For the month of October we will be taking time to discover what season of life we are in. As we look around us we are in the Fall or Autumn season in the earth, but what season of life are you in? To discover our truth let us now look at the *fall season* of life. Beginning with provided you have been diligent during the previous seasons, fall/autumn is a time of HARVEST!

While this is the time to experience the manifestation of the work you have done and words you have heard in the first three seasons this will only be seen in alignment to the steps we have taken. Equally, our walk with the Lord should be much closer during this season – because of the preparation during winter, spring, and summer. It is time to harvest and store up for the upcoming winter. Fall/Autumn is the moment of truth. The time we either enjoy or excuse. It also reveals what to expect in the upcoming winter. Whatever the results take responsibility for them. Autumn helps us see the passing of time; where we have come from and where we need to go. It brings the last of the warmth and comfort before the cold of winter. It represents both beginnings and endings. Hear the Lord in this season for the correction and shaping necessary to be prepared for the upcoming seasons.

“Remember this—a farmer who plants only a few seeds will get a small crop. But the one who plants generously will get a generous crop. You must each decide in your heart how much to give. And don't give reluctantly or in response to pressure. “For God loves a person who gives cheerfully.” And God will generously provide all you need. Then you will always have everything you need and plenty left over to share with others. As the Scriptures say, “They share freely and give generously to the poor. Their good deeds will be remembered forever.”

2 Corinthians 9:6-9 NLT
